

## **REMARKS**

### **I. Amendments**

Applicant thanks the Examiner for the courtesy of the telephone discussion of November 17, 2010 regarding the outstanding Office Action and the actions necessary to advance the application to allowance. Applicant is submitting this response in accordance with the Examiner's comments during the discussion.

Specifically, during the discussion, the Examiner stated that he would withdraw the provisional withdrawal from consideration of claims 15-70, and would consider all of the pending claims in the instant application.

In view of the rejoining of all the claims in the instant application, Applicant submits that the reissue declaration is not defective as it addresses errors to be corrected by the addition of claims 15-64 and 66-70 to the patent upon reissue.

During the discussion, the Examiner also stated that he would be favorably disposed to the claim amendments proposed by Applicant. Accordingly, Applicant requests that the Examiner withdraw the Examiner's Amendment canceling claims 15-70, and to enter the claim amendments provided herein.

Specifically, Applicant has cancelled previously-added claim 65. Applicant has also amended independent claims 15, 21, 27, 33, 39, 45, 51, 57, 66, and 67 to recite that the processor accesses a sequence of bits having an address portion that specifies the location of a second instruction in a memory. Support for this amendment is provided by the specification, *inter alia*, at col. 2, lines 1-26; col. 3, lines 29-36; col. 4, lines 6-15; and col. 4, line 53 - col. 6, line 53.

Applicant submits that the pending claims are in condition for allowance, which action is urgently requested, and requests that the Examiner contact the undersigned Attorney by telephone in order to resolve any matters other matters in order to expedite allowance.

Authorization is hereby given to charge any fee which may be due in connection with this communication to Deposit Account 23-1703.

Dated: November 19, 2010

Respectfully submitted,
